NEW LIFE FOR OLD UNIFORM

As part of the Trussell rebrand, all our staff and volunteers have received new uniforms. All paid for by Trussell. But we're not letting the old uniforms go to waste. Our sewing group are recycling them into useful items. Starting with these warm wooly hats which will go into our homeless packs.

PARTICIPATION WORKSHOP

Hearing from people with lived experiences of poverty and hardship is a crucial part of the work that we do at Vale Foodbank. Without the input of people we have helped in the past, we cannot know what we can do better in the future.

In March we started our first new participation workshop group and had some really great conversations. Would you like to be part of our group and join the discussion? Our next meeting is Tuesday 19th March. If you are interested in joining in, please get in touch at info@vale.foodbank.org.uk
